OUR SUPERB FUNDRAISING PUDDINGS

The Ultimate Plum Pudding. This exceptionally light and delicious Christmas pudding is the company's flagship product. Winner of a gold great taste award, it's enjoyed by many who 'don't like Christmas pudding' as well, of course, as those who do. According to one fan it's 'the first Christmas pudding we've ever had where none got thrown away' Spectacular! Give yourself the best this Christmas. 454g pudding serves 4. In 454g size only, **2 special versions** are now available - **Alcohol Free** (made with fruit juices instead of alcohol with the spices rebalanced so its still really christmassy) and a fully certified **Gluten Free** version which the whole family can share, as it tastes just like the regular pudding.

Triple Chocolate Pudding. The real deal. Not just cocoa - proper chocolate! It's made with melted dark belgian chocolate, fine french cocoa powder, chocolate chips, chocolate liqueur and a good slosh of brandy. Like all these puddings it's made for adults. Just needs cream or ice cream.

Sticky Toffee Pudding. The Nation's favourite. Not over sweet. Lovely light sponge with that gorgeous gooey outside where the sauce has soaked in. You'll definitely be licking the plate. Keep one in the cupboard for those 'must have' moments.

Triple Ginger pudding. Another gold award winner. This time our buttery ginger sponge is packed with candied stem ginger pieces and laced with warming ginger wine. Try it even if you aren't a ginger enthusiast - there's no harshness, just delight.

Luscious Lemon Pudding. A lovely citrus wow, from zingy fresh zest and juice, softened with the buttery roundness of lemon curd. A proper English pudding - intensely delicious and satisfying.

Ultimate Brandy Butter. A top quality Brandy Butter made to the 'Westmorland' method. Melted sweet cream unsalted butter is streamed slowly into a mixture of sugars and lashings of brandy. Silky smooth with a touch of crunch. A sprinkle of nutmeg and a dash of fresh lemon lifts it from the ordinary. Jars are as shown - not personalised for us.

The Ultimate Rum Butter. A Cumbrian tradition. Rum was imported through the busy port of Whitehaven. This butter has plenty of dark sugar and spice, making it more robust and perfect for scones and mince pies. Jars are as shown - not personalised for us.

Luxury Chocolate Sauce. Packed with real Belgian melted chocolate and boosted with fine French full flavoured cocoa powder. Trickle it over a Triple Chocolate pudding to make it even more chocolatey, or spoon it onto ice cream, pancakes, or anything else you fancy.

Sticky Toffee Sauce. For those who can't get enough sauce! It's spectacularly creamy and not too sweet, perfect for decorating cakes when cold, or heat it and drizzle over just about anything for a sublime desert.

All these products require cool and dry storage and keep for months. They don't need refrigeration but please don't store them in the cupboard by the oven. All puddings can be microwaved in about one minute. Overheating will dry the puddings - please be cautious if your microwave is fierce. Plum puddings are wrapped in red film, Gluten Free and Alcohol Free in gold, and sponges in silver.
