Friday Bulletin 11th February 2022

Dear Parents

Welcome to the last Friday bulletin of this half term. We hope you and your families have a lovely break and the children are able to recharge and come back ready for another busy term in school starting on Monday 21st February.

After School Art Club Exhibition

This half term's after school arts club will be displaying their work at St Lawrence's Church from Wednesday 23rd Feb – 2nd March. The children have been particularly creative around the theme of 'creation' and we can't wait to show you all their lovely work. Please note that if your child is going to Art Club on Wednesday 23rd, they should be collected from church at 5pm. You'll be able to take the opportunity to be the first to see the wonderful work they've produced with Andi.

KS1 Big Sing

On Wednesday 2nd March, all the children of Class 1 will be taking part in the Big Sing event at Appleby Hall, alongside children from other schools. They will be taken to and from the event by car, so we will require car seats for your children that day. They will be back in school in time for lunch at 12.00pm.

Planetarium

On the afternoon of the 2nd of March, the whole school will be visiting the Planetarium in Maulds Meaburn Village Hall between 2pm -3pm. We will all be walking down through the field, so please ensure your child has outdoor shoes/wellies and a warm coat and hat/gloves that day.

World Book Day.

Thursday 3rd March will be World Book Day. We invite all the children to come to school that day dressed as their favourite character from a book. In the afternoon we will be joining with the Crosby Lunch club in the Butcher's Arms for the Annual Book Quiz Challenge! It promises to be an exciting event.

Safer Internet Day

All the children took part in Online Safety classes this week in school. Mrs Pattinson asked Class 2 to complete a questionnaire and we think you'd all be interested to read the findings as you consider how you can help your children to stay safe online at home.

100% have access to internet at home

55% access the internet in their own room

22% claim there are no privacy controls set up on their device

All children said that they only sometimes/rarely/never speak to adults at home about safety rules when online

95% understand that personal information should not be shared online

77% said they have seen something online that has made them feel uncomfortable

5 children said they DID NOT know what to do if they saw something online that made them feel uncomfortable. (Surprising as Mrs P talks about this very regularly in assemblies.

Mrs Pattinson will follow up issues raised by this questionnaire with the children after half term.
