Friday Bulletin 15th July 2022

Dear Parents

This is the final Friday bulletin of the school year and it's an opportunity to bid a fond farewell to our departing Year 6 pupils: Ethan, Sophie and Grace. They've worked fantastically hard and have achieved so much. Their smiling faces will certainly be missed in September and we wish them well on their journey into secondary school. A leavers' service was held yesterday in church where all the children paid their own tributes and a montage of pictures was shown. You can view those pictures [on our website here](#).

Summer Fete Update

Amazing news! We can now announce that the final total raised at this year's summer fete is a fantastic £1120.80! Thank you again to the Friends for making it such a memorable day.

Sponsored Walk

Having looked at the weather forecast for next Monday, we have made the sad decision to postpone next week's sponsored walk as we feel it would be too hot for the children to safely take part. We will reschedule the walk for the autumn term and will of course keep you informed of plans when we return in September.

Summer works

Thanks to the financial support of our trustees, the school building will be repainted inside and out during the summer break. LED lighting will also be fitted throughout the premises improving the environment for the children and reducing our carbon footprint. This is a massive undertaking and we can all look forward to a bright new school on our return in September.

Taking Work Home

Please can all children bring a plastic bag into school at the beginning of the final week so they can take home with them some of the fantastic work they have done this year. Thanks.

And finally...

The staff and governors of the school would like to thank the parents for their amazing support during the year and for the kind cards and gifts that have been received over recent days. We wish you a happy and healthy summer break and look forward to returning on September 7th.
