Friday Bulletin 16th July 2021

Dear Parents

We've reached the end of another school year! It would always be expected of me to talk about what an achievement this has been, but the past year has provided some remarkable challenges which puts other year-ends into context. We have worked hard to provide a safe environment for everyone, but a fair slice of good fortune has played its hand in this and we are thankful that our school community has been spared the worst excesses of the pandemic to date. I know some other local schools have faced particular adversity in dealing with isolations, closures and severe illnesses: we spare a thought for those who have been affected.

Moving forwards with positivity about the sunny days ahead: on behalf of all the staff and governors at school, I wish you a happy and healthy summer break and look forward to returning on September 2nd with the high quality learning opportunities you've come to expect of us.

Newsletter

Please find a copy of the school newsletter, 'The Crosby Chronicle', which has been written entirely by the children in class 2. I'd like to say a big thankyou to Danny for editing this edition.

Spider Plants

We're grateful to Howard Brass for providing a donation of a spider plant for every family. We hope the children will enjoy the responsibility of looking after them and think they'd make a nice bedroom addition.

Thank you

The staff of the school would like to thank the parents for all their amazing support during this difficult year. We would also like to say a big thank you for all your kind cards and gifts.
