Friday Bulletin 18th June 2021

Dear Parents

As you will be aware we are now seeing a rapid rise in COVID-19 infections in the county. As of Thursday, 47 educational settings are in incident (one confirmed case) or outbreak (two or more confirmed cases) status. In light of this, we continue to closely follow council guidance which includes restrictions regarding end of key stage transition, end of year events and day trips. We have been told to be cautious, risk assess carefully and make alternative arrangements if activities cannot be conducted safely. Parents should read the [general advice letter](#) and '[COVID-19 Quick Guide](#)' which has been produced by Director of Public Health, Colin Cox.

I'm sorry to say this means that our plans to take the children to Manchester Chill Factor have had to be scrapped. The class 1 trip to Leighton Moss will still take place, but parents must be aware that regulations require that in the event of their child showing symptoms of COVID during the day, they would have to pick up their child **from the venue** immediately. We hope these would be rare circumstances, but if you know this to be a particular problem, you should contact the school office for further advice.

As it stands, Sports Day will go ahead as usual, and while parents will still be welcome to attend, we are obliged to restrict the number of visitors to no more than 30 people. A maximum of two people per household can apply by email to Pauline to attend Sports Day and tickets will be issued on a first come first served basis. Please don't apply for two tickets unless you know you will use them.

COVID Test Kits

The school has been issued with a quantity of COVID testing kits for use by parents of children in school. Please respond with the attached reply slip and a pack will be sent home with your child

On-Line Safety

The children have been taking part in on-line safety assemblies this week. Please find attached information regarding how to keep children safe on some of the most popular apps that were discussed. We think this information is particularly useful for parents so please have a look. Mrs Pattinson would be pleased to advise any parents who would like any further information.

Swimming

A reminder that we will be swimming every afternoon next week. As part of the COVID regulations, we've been asked to ensure that on arrival at the pool, children have swimwear under their clothing so as to reduce time spent in changing rooms. We will make arrangements for changing into swimwear each lunchtime. It is important that the children (particularly younger ones) are wearing clothes that can be easily put over their swim-wear, for example tracksuit bottoms rather than school trousers. Please can girls **not** wear tights and can they have a hair bobble to tie back long hair. Thank you.

Class 1 Leighton Hall

We are very pleased to announce that Friends have agreed to fund 100% of the trip to Leighton Hall, so we won't be asking parents for their usual contribution on this occasion. This is only possible because of reduced spending on other items over the past year due to COVID. We thank friends for their generous support.

Duncan Priestley
Headteacher

Diary Dates (subject to change due to COVID restrictions)

Swimming Week	21 st – 25 th June
