Friday Bulletin 19th March 2021

Dear Parents,

Easter Service

There will be an Easter service in church (no congregation sadly) at 2pm on 30th March. Please read the following message from Rev Stewart Fyfe:

"Our Easter service will take place in St Lawrence's Church on Tuesday 30 March. Ordinarily, parents and governors would be invited to this, but sadly that is not possible this year. As a church school we have a tradition of offering "the 3 C's - Christening, Communion and Confirmation" through school. Easter is the most important Christian festival, and the centrepiece of Christian Easter worship is to share Holy Communion in celebration of the resurrection of Jesus. Due to lockdown it is a while since we had a whole school Communion service, but we will be celebrating Holy Communion as part of our Easter service.

Children who have been admitted to Holy Communion, either through school or previously in their local church, are invited to receive Communion (bread form only). Children who have not been admitted will still participate in the worship and we are sure they will benefit from first-hand experience of this important act of worship for Christians. As Rector, I hold a record of those admitted to Communion. If your child has been admitted to receive communion through your local church (of any denomination) and we are not aware of it, please e-mail me (rectornwparishes@gmail.com) if you wish your child to receive Communion in school. We will be offering a fresh opportunity for Children to be prepared, through school, for admission to Communion or Confirmation next term. More information will be provided at that time."

Water Awareness Week

Next week is Water Awareness Week. Being as we're situated alongside the beautiful River Lyvennet with proximity to the sixteen serene lakes of the Lake District, I know how important water awareness is for youngsters. Please read the accompanying documents and discuss the dangers with your children at home.

Welcome back to Miss Atkinson

From Monday, we'll be welcoming Miss Atkinson back to Crosby Ravensworth School to complete her final teaching practice. Although she'll be spending most of her time working with Class 2, I know all the children in school will be delighted to see her again. Please read a letter she's asked us to pass on to you.

Dear Parents,

My name is Miss Atkinson and I will be teaching in your child's classroom alongside Mr Priestley and Ms Lowthian until the end of June 2021. I am currently studying at the University of Cumbria to be a primary school teacher, and after this placement I will be fully qualified!

The topics I will be teaching your children whilst on placement are 'The Queen and the Commonwealth' and 'Mayan Civilisation'. I look forward to teaching these topics immensely and hope your children will find them fun and engaging!

These couple of terms are going to be so much fun and I am thrilled to be teaching key stage 2 at Crosby Ravensworth. I can't wait to get to know all your children and I look forward to meeting you all! I will be contributing to the parents evening alongside Mr Priestley on the 28th April so will definitely meet you all then.

Finally, I want you all to know that I am always approachable and if you have any issues, please do not hesitate to get in touch with me or talk with me at the school gate.

Sincerely

Miss Atkinson.

Love power-washing? You'll love this...

You may notice that the staff and I have spent some time after school this week scrubbing and power-washing around school. It's amazing how much green algae has built up and we feel we've barely touched the sides! If you feel you could spare some time during the day to continue what we've started and help our beautiful school to look at its best again, we'd be very pleased to hear from you. All that's needed is a pair of wellies and water-proof trousers. Cups of tea will be provided!
