Friday Bulletin 1st October 2021

Dear Parents

There are a lot of messages to pass on in today's bulletin, so without any extra preamble, let's get into them:

Harvest Festival

We are pleased to confirm that friends and family may join us in church for the celebration of Harvest Festival next Thursday. The service will be led by Rev Stewart Fyfe and begins at 2pm. We respectfully request that lateral flow tests are taken to confirm members of the public are negative for COVID 19 before attending. Thank you.

Harvest Volunteer

We are appealing for help in dispatching the harvest collection this year. Please let Pauline know if you are available to collect the produce that the children have donated and take it to the food bank in Appleby after the harvest service. Many thanks.

Prayer for Harvest

Years 1 and 2 have a prayer about the world in their book bags. Please can they practise reading the prayer at home ready to read out at the Harvest Service on Thursday. Thank you.

Class 1

As part of our topic on 'Transport' class 1 will be visiting the Motor Museum, Haverthwaite Railway Station and the Windermere steamer on Wednesday 6th October. We will be setting off at 9am and returning around 3pm. Freda will be making a packed lunch. Your child will need a small rucksack containing a bottle of water and a healthy snack. Some of the day will be spent outside, please can your child wear warm, waterproof clothing and footwear.

Class 2 trip to Raisgill Hall Farm

Class 2 will be visiting Raisgill Hall Farm in Orton next Friday (8th October) at 10am, returning in time for school lunch as usual. This will support their understanding of the current topic of 'Sustainable Food'. Please ensure your child is dressed appropriately for weather conditions and wearing wellies. Thank you.

Book giveaway

We have been having a sort out of books in school and offered those we no longer need to the pupils. Your child may therefore have brought books home today that they have chosen.

Class 2 Cookery

The children are really enjoying their cookery classes with Mrs Corrie in Class 2 this term. We'd like to advise that due to other activities taking place in school, please note the following dates:

Wed 6th Oct – no cookery class

Wed 13th Oct – class as usual, please bring in a container.

Wed 20th Oct – no cookery class

Acrobatics Club

On Tuesday 19th Oct, the children who participate in the Acrobatics After School Club will be giving a performance of all the new skills they have learned. Parents of these children are invited to come into school at 4.45pm to watch the performance. We'd appreciate if Masks were worn on entry. Thank you.

The Bells of St Lawrence

Are you a Bell Ringer? Would you like to learn? If you would be interested in becoming involved in Bell Ringing at St. Lawrence church, please read the information in the attached leaflet.

Years 5/6 Residential

Parents of children in Year 5 and Year 6 will be interested to know that a residential trip is being planned for these year groups from March 16th – 18th 2022 to [Hawse End](#) near Keswick. Parents and children are invited to attend a zoom meeting on the 18th October at 3.45pm to find out more about the event. Please look out for your invitation to the meeting will be sent by email in the coming days.

Parents Evening – 20th October

It has been decided to offer parents a choice of consultation at Parents Evening this year. Parents may choose to hold the meeting either by telephone, internet (MS teams) or face to face. If face to face, parents should confirm a negative lateral flow test before entering the school premises and take care to arrive promptly two minutes before their allotted time slot. All consultations must end precisely at the end of the allotted time so this can be facilitated. A booking slip will accompany next week's Friday Bulletin.

Class 1 DT

As part of their current topic on 'transport', Class 1 are presently making vehicles. Please can they bring from home some cardboard boxes, no bigger than 14cm x 10cm, by next week. Many thanks.

Nasal Flu

Parents may like to watch this child-friendly nasal flu spray video with their children prior to the visit of the school nurse next Tuesday morning. <https://images.app.goo.gl/ENfXPEj5f3DFDb3QA>.

Taking the right path

Please find in your plastic wallets a maze for the children to complete. This is just for fun and follows on from an assembly I delivered on Thursday about 'taking the right path'. There is no need to hand this in to your child's teacher upon completion.

Class 2 – Times Table Rockstars

The school has taken out a subscription with the popular web-based times table learning group, 'Times Table Rockstars'. All children have been shown how to login to this and use it to help them practice for their tables tests each Friday morning in class. There's been a lot of enthusiasm for this in class and we'd really appreciate your support in encouraging them to use it regularly at home.

[This video](#) provides you with a background to how it works and there's an [astonishing video of the TTR world record holder here](#). TT Rockstars apps can be downloaded in the iTunes App store and Google Play.
