It's a Winner!

Earlier this month the children took part in a Creative Writing Competition organised by Vision for Education andWe Won!! We are very proud of the contribution made by all the children. And the prize..... We will be receiving an egg incubator in school, so the children will be able to watch the miracle of eggs hatching and the new chicks emerging.

They will be there all day and it promises to be stellar day!!

Hawes End Residential Trip

To parents of Y5 and Y6, could I politely remind you all that the balance of payment for this residential is due on Friday 2nd March. Many Thanks.

Any Spare Plastic Bottles??

Please could the children bring in a small plastic bottle, such as a soft drinks bottle, with them to school on Monday. We are hoping to use them for an exciting school craft project themed around reduction of single-use plastic. Thank you.

Earlier this term, children in class 2 wrote many letters to companies and organisations regarding reduction of plastic. We've had a number of interesting replies which I look forward to sharing with the school community.

Birds of a Feather....

Do you have any feathers that you have picked up on your walks in the country? Class 1 need feathers for our Bird Topic this half term. Perhaps you have something unusual that the children would like to see, or maybe you have an old feather pillow that we could open up to see what's inside! Class 1 would be very grateful for anything you can let us have. Thank you.

Nursery news

As I'm sure all parents will know there have been some important developments regarding our future plans for Pre School education this week. I look forward to sharing more details in next week's bulletin
