Friday Bulletin 24th May 2024

Dear Parents,

Church of England Inspection of our school

We were very pleased to welcome the SIAMS inspectors yesterday and are looking forward to receiving their report some time over the next couple of weeks. We'd like to say a particular thanks to those parents who spoke or wrote to give their views about our school.

Behaviour at sporting events

There are a number of sporting events coming up over the coming weeks, including our own Kings Meaburn Cup. It's timely to remind parents of the importance of setting a good example to our children in respecting the decisions of those officiating. We're very lucky to be part of a cluster of schools that organises far more sporting events than most primary children in the country will ever participate in. This is only possible because staff volunteer their time and experience to set up, support and officiate. Please find attached the sports code conduct that was drawn up by the twelve cluster schools which reminds us all of our responsibilities. Thank you for your support and understanding.

The Great Big Green Week

Kendal Library will be participating in The Great Big Green week from the 8th-16th June 2024. We are setting up a swap shop and hoping to take donations of the following items to be exchanged between library users.

Costumes/Children's Clothing

Board Games/Puzzles

Computer games/ consoles/ accessories

See attached poster for further details.

Join our team as a clerk to governors. Are you organised, detail-oriented and passionate about supporting education? This role offers a unique opportunity to contribute to the governance of our school, working closely with dedicated governors and staff. Full induction and training will be given. For further details, visit the vacancies page of our school website. <https://www.crosbyravensworth.cumbria.sch.uk/vacancies/>
