Friday Bulletin 30th April 2021

Dear Parents

As we look ahead to a safe bank holiday weekend for all, I'd like to thank you for continuing to respect our COVID 19 conventions in school, which include wearing a mask while collecting and picking up your children. The local authority has reminded all schools to ensure measures which reduce the spread of the virus continue to be enforced. The next step of the [government's roadmap](#) is likely to be reached on 17th May, following which we are optimistic that the government will be able to fully remove all restrictions on 21st June. In our prayers, we think of those who are suffering the consequences of this terrible virus and our thoughts turn particularly to India.

Eden Rivers Trust learning day

On Wednesday 12th May, children from reception to Year 6 will be involved in a trip to Crake Trees as part of a rivers day of learning with the Eden Rivers Trust. A letter is attached with this bulletin explaining the activities and what should be brought.

Parental Consent Form

Today your child's plastic wallet will contain a letter regarding parental consent for the following:

- Educational visits
- Use of your child's image
- Giving medicines.

There is one for each child. We already hold signed permissions in school, however this letter has been updated so that we can follow the latest COVID health advice. Forms should be returned and signed back to the school office when completed. Thank you.

Swimming classes

Learning to swim is a very important part of childhood. As our annual set of 10 half-hour swimming sessions could not take place earlier this year, we've managed to arrange a week of intensive classes for everyone at Appleby pool this summer. Our plans will of course be subject to COVID risk assessments and are dependent upon the country's progression against the national roadmap. Each afternoon of the week beginning 21st June, the children will attend a full hour of tuition so it's important that no one forgets their kit! We would also appreciate, if possible, for younger girls to wear trousers rather than tights as this makes getting changed much easier. Hair bobbles for long hair are essential.

Sponsored Walk Sponsorship – please help!

The sponsor form for our sponsored walk on the 26th May is attached with this bulletin. We know how hard the last year has been for people across the community and hope the children are able to find as much support as possible from friends, family and acquaintances in the circumstances. This year the school has decided to split the proceeds equally between itself and [the Great North Air Ambulance](#). The organisation has recently celebrated the launch of 'The Pride of Cumbria II' which was needed in tragically urgent circumstances at Kirkby Stephen Primary School.

A love of learning for life in all its fullness John 10:10
Courage, Compassion, Community

The 3 Cs: Christening, Communion and Confirmation through School

As a church school, we hope to encourage our children to take an active interest in our church and its community and often work together with Stewart, our Vicar, to help engage the children in the life of the church. Please find attached a letter from Stewart explaining how you can involve the children through christening, communion and confirmation. Please take the time to read this and fill in the form if you wish to participate.

Best regards

Duncan Priestley
Headteacher
