Friday Bulletin 30th September 2022

Dear Parents

Good afternoon to you all, we have a number of announcements and pieces of information to pass on to you this week:

Shoe Box Appeal

We are appealing to all of our families to join us in sending a shoe box of Christmas gifts to support children in Romania. [Boxes of Hope Cumbria](#) are the charity who administrate the scheme; they sent over 9,000 boxes last year spreading love and compassion to youngsters in need at Christmas time. Please follow the links for further information. We would ask that boxes be bought into school by Friday 4th November. Donors should download [further details here](#) which includes a list of suggested items to include and detachable form for insertion. Please note that Birtles Sports in Penrith have announced they are keeping spare shoe-boxes till half-term for people to pick up.

Salvation Army Foodbank

Class 1 had a fantastic trip to the Salvation Army in Penrith where they learned how Minister Carole and her team of volunteers help support the local community. We especially enjoyed looking at the new food bank which we have previously helped to raise money for. Carole would like to encourage anyone in our community who needs support to please get in touch and spread the word that the Salvation Army are there to help.

Class 2 Water Worksop

On Wednesday 5th October Class 2 will be taking part in a workshop in school led by the Lake District National Park Authority. Together they will be looking at water efficiency, water treatment and the water cycle. Children should come dressed in normal school clothes.

Bikeability

Parents of children in Year 5 and Year 6 should read the attached letter and consent slip regarding the teaching of cycling skills ('bikeability') after half term. Consent forms must be returned by 6th October.

Lacrosse

Class 2 are taking part in a Lacrosse event at Morland School on **Friday 7th October**. We are looking for one parent volunteer to assist with transport. The children need to be at Morland by 12.15pm and will be returning to school at 2.30pm. If you would be able to help us with this, please contact Pauline in the school office. Many thanks.

Class 1 "Junior Warriors"

On Monday 10th Oct, Class1 will be taking part in the "Junior Warriors" event at Shap School, led by Action Ants. This will take place in the afternoon and the children will be back before the end of the school day. Please could you ensure that you child has suitable outdoor footwear for running. They will change into their PE kits for the activities and they will also require a fleece or hoodie to keep warm. We have been told that one of the activities involves water, so we will change the children back into their uniforms for the return to school.

Parking Outside School

We would like to remind all parents and carers: a Health and Safety requirement of the school is that for **all** parking at the school, vehicles **MUST** park in reverse. This greatly reduces the possibility of collisions when leaving the school which may have tragic consequences. Many thanks.

Cyber Video

We have added a [new video link](#) to the online safety section of the school website entitled 'Teenage Cybercrime: Help your child make the right choice'. Although particularly relevant to older children, we strongly recommend that all parents watch this short, entertaining and very informative film as you consider the world of technology that your children are growing up in.

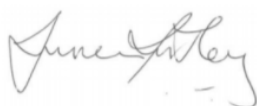

A quick guide to COVID - Poster for Parent

A quick guide for parents / carers has been produced explaining whether their child is well enough to attend school or an early years setting when displaying some of the symptoms of COVID-19.

The quick guide can be accessed [using the link below here:](#)

Great Big Green Week is here!

The national campaign, organised by The Climate Coalition, is an opportunity to celebrate what actions are being taken to tackle climate change and protect nature, explore what more we can do and encourage others to get involved. All this week, events and activities will be taking place across Cumbria including repair cafes, bulb planting, reading groups, film screenings, litter picks and workshops. Find one happening near you by visiting the [Cumbria Action for Sustainability website.](#)
