## Friday Bulletin 4<sup>th</sup> March 2022

Dear Parents

### Tragic Situation in Ukraine.

The world is a very frightening place at the moment and many children will be having a difficult time processing what they are seeing and hearing on the news or from conversations they may hear from adults or friends. Please find attached (Friday Bulletin email) some guidance about how to talk to your child about these difficult issues. We hope this may be of help.

### Yorkshire Dales Museum Trip

As part of our topic on the Industrial Revolution, Class 2 will be visiting the Dales Countryside Museum in Hawes on Thursday 10<sup>th</sup> March. This exciting trip will also include a visit to historic sites in Swaledale. Please ensure your child is wearing their school uniform and appropriate coat/footwear for outdoor weather. They will also need a rucksack for a water bottle and a packed lunch will be provided by Freda for those on school dinners. Parents are asked for a voluntary contribution for the cost of this full day trip of £10 per child. Please note the bus will leave promptly at 9am and will return in time for school collection at 3.30pm.

### Fire Brigade Visit.

On Friday 11<sup>th</sup> of March, Shap Fire Brigade will be talking to the whole school about fire safety and the work they do in our community. They are planning to bring along their engine for the children to experience.

### Red Nose Day

Friday March 18<sup>th</sup> is Red Nose Day. To celebrate and support this, we will have a Non-Uniform day for the children; a charity contribution of £1 per child is suggested.

### Kooth Webinars – Children's well-being

Kooth Webinars are a free resource offered to Y6 children in support of their transition into senior school, as well as their mental wellbeing in these difficult times. Please see the attached letter from the county council and the links to the webinars in the Friday Bulletin email. These are an invaluable tool and we hope that you take advantage of this opportunity. Although this is aimed at 11-18 year olds, I'm sure parents of slightly younger children may also find this interesting.

## Key Steps Gymnastics

Children in class 2 are rehearsing movements for Key Stage Gymnastics in P.E this term. I have been asked by them to send a copy of the manoeuvres home so they can practise at home. Thank you.

## Extra Support in school

The Governors and I are very pleased to welcome Mrs Tara Hollis as a new member of staff at Crosby. Mrs Hollis is an experienced teacher who will provide extra TA support in school throughout the week alongside Mrs Nye. This allows us to plan for extra support in maths lessons and to provide further intervention time for identified pupils.

Mr D Priestley  
Headteacher
