## Friday Bulletin 7<sup>th</sup> January 2022

Dear Parents

### Return to School

It's good to be back in school! There are many challenges ahead of us this year and we thank you for your continued support as we aim to get back to work and see the children progress.

I would encourage all parents, if they have not yet done so, [to read the letter from Colin Cox](#) which sets out the latest protocol for school attendance and COVID. Thank you to all the parents who continue to phone in to discuss health concerns. Please do let us know about any COVID symptoms that you may be aware of in your household so we can try our best to keep the school COVID – free and concentrate on giving the children the best possible learning opportunities.

If your child is asked to stay at home due to COVID, it is very important that the work that is sent home is completed. You should maintain good contact with the class teacher so we can work together to try and reduce the disruption to learning. This is extremely important, given the high likelihood that schooling will undoubtedly be affected over the coming weeks.

### Keeping warm at school

Please remember that children should bring winter coats, woolly hats, gloves and preferably wellies for the playground at this time of year. To keep the building well ventilated in line with Covid regulations, windows are being opened regularly throughout the day so we also recommend that an extra layer, such as a vest or T shirt is worn under the children's uniform.

### Swimming

Swimming lessons for all children will be taught, as last year, as a week of hour-long afternoon sessions at Appleby Swimming Pool from 24<sup>th</sup> -28<sup>th</sup> January. More information will be provided closer to the time.

Mr D Priestley  
Head Teacher

### Summary of dates for your diary

Monday 24<sup>th</sup> January – Friday 28<sup>th</sup> January – School Swimming
