Friday Bulletin 25th September 2020

Dear Parents

It's been another fabulous week in school. The children have settled in to their learning so quickly and we'd like to thank you all for having prepared them so well for their return. We all know of the rising threat posed by coronavirus and continue to urge you to stay vigilant for the symptoms. If you have any doubts at all, please ring and ask to speak to myself.

E-Safety

A new *E-Safety User Agreement* for this academic year can be found in your child's plastic wallet. It is very important to read through this with your child. Please then sign (both you and your child) and return to Pauline in the office by Wednesday (30th Sept) next week. Thank you.

Parking Outside School

We'd like to remind parents that when parking outside school, for safety reasons, all vehicles must be reversed into the parking area. Also, could we ask that you do not park in the bus space next to the school gate. Thank you.

PE Kit

As the weather is starting to turn that little bit cooler and wetter, could we ask that parents ensure their child has warm clothes, such as tracksuit bottoms and a sweat shirt in their PE bags in school. Thank you.

School Teams

After much discussion with the children, the decision has been taken to change how we organise our school teams. At the moment we have three teams: Southward, Dent and Lowther, but as our numbers have decreased over time, it's become apparent that two would be more appropriate. This gives us an exciting opportunity - we need new names! We would really like to involve the children in this process, so are asking them to come up with suggestions for the two new team names. This is their chance to make a little piece of history, as the names could well survive for several generations!

Have a think about it over the weekend, write your ideas on a piece of paper along with a brief explanation of why you've picked those names and return it in your plastic wallets. We would like to keep names that have a local connection with our community. Have fun!

Runathon

We're very excited to unveil the details of our Harvest Festival fundraising event in aid of [Penrith's Salvation Army foodbank](#): we're going to run a marathon!

On October 7th, throughout the school day, children of all ages and staff will take turns to run relay laps around the school field. We've calculated that every eight laps will equal one mile, so a total of 210 will equal an Olympic marathon distance. In the event of poor weather, a contingency plan has been put in place for the children to run an indoor obstacle course throughout the day. Children should come to school in appropriate running clothing and footwear.

Please find a sponsor form attached with today's bulletin. We really hope you're able to 'go the extra mile' in helping this to be a marathon fundraising event for an excellent cause that supports so many needy people at this difficult time.
