Friday Bulletin 1st April 2021

Dear Parents,

This isn't an intentional April Fool's day joke, but welcome to the Friday bulletin on Thursday! We've just a few short items to share with you before breaking up. On behalf of all the staff, we wish you a safe and happy Easter.

Year 5 and 6 Bike Ability

On the 10th and 11th May Years 5 and 6 will be will receive cycling proficiency training as they work towards a level 2 in [Bikeability](#). The Bikeability Level 2 course aims to develop riders' skills and confidence for cycling on single-lane roads and simple junctions with mostly moderate motor traffic flows (where riders encounter vehicles with progressively greater frequency in each module), and prepares riders for cycling on more complex, often busier or faster roads and junctions. A letter to parents of the children concerned and details of the activities are attached with this bulletin.

Easter activities in Maulds Meaburn & Crosby Ravensworth

Over the Easter weekend (Good Friday through to Easter Monday) there will be a community trail for you to follow and enjoy. Starting at Crosby Ravensworth shelter, you can pick up a quiz sheet, then work out the clues to find the secret letters which are hidden between Crosby and Maulds Meaburn. Once all are found, unscramble them to reveal an Easter phrase. On Easter Sunday there might just be a yummy treat waiting for the younger ones at the end of the trail in Maulds Meaburn shelter. Also, we're encouraging children and families to take make an Easter decoration for the Easter branch in the shelter of the village they live in. On one side they can write what they are looking forward to doing once the lockdown eases. Thanks to Karen and Sarah Rogers for this lovely idea which continues to build on the strong community spirit we have among our villages. Have a fun Easter everyone!

Improvements to our school

We're delighted with the new canopy outside Class 1 and will begin work adding to and improving the area in the weeks ahead so the children have a fabulous covered outdoor play area. Plans are also afoot to improve the rear of the school by replacing the dilapidated nursery play area with an orchard. Thanks again to Vanessa and Pele for continuing their help cleaning the outside of the school this week.
