All plans are dependant upon Covid rules and the weather. Which is the less changeable?

So...please check your Facebook for last minute changes/ timings and we will also email/ring around.

Then perhaps come and join us, to carol in this special time of Christmas, suitably masked and separated.

We will have Covid-secure Carol sheets for you: bring a head torch!

Boon Day: Saturday December 5th

Please join us to keep the exterior of your fine Parish church in good order over the up-coming winter.

The last Boon Day was in early March.

Gutters now have gardens growing in them, downspouts can be choked, grids need clearing, weeds need clearing, paths need sorting and dead bits of tree need lopping.

The PCC cannot do this work alone, nor can we afford a company to sort it for us. We need YOU!

10.00am onwards, bring your own kit/flask/biting on please.

Thank you.
