Have Your Christmas Tree Woodchipped!

On 11th January I can woodchip your Christmas tree at your door.

All trees must be de-baubled and outside your property entrance.

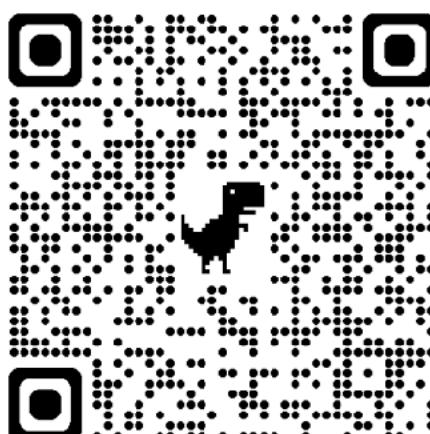

Contact me on 07377137606 or email me nicholasjohnbarnes@gmail.com or simply scan the QR code and I will add your house to my route around the parish.

A donation is welcome all proceeds will go to help Crosby Ravesworth Village Hall events.

No artificial trees.

Many thanks.

Viberoptix Presentation

Wednesday 21st January '26 at 7pm

Maulds Meaburn Village Institute

Representatives from Viberoptix have kindly offered to come and present their plans to implement the Government scheme to install full fibre to properties within Maulds Meaburn.

Viberoptix have recently taken over the contract from Entegro/Novotech. They are currently in the process of reviewing the work already installed as it is not all up to Viberoptix standard.

This presentation will not offer an opportunity for questions.

If you have a question you would like Viberoptix to answer they have requested that you please submit these to the speakers beforehand so they can respond in a more considered manner as part of their presentation. **Questions must be submitted before the 10th January.**

Please send any questions to Naomi Callaghan, Parish Clerk, at
clerk@crosbyravensworthparish.org.uk

Any questions arising from the presentation can also be submitted in writing to the above email address to be forwarded to Viberoptix.

Please note this is not a PC meeting, and is the result of the low numbers of PC members.

Viberoptix representatives were invited to the PC meeting on 5th of January but couldn't make it.

A convenient date for them of the 21st January coincided with holidays which meant the PC wouldn't be quorate on that date. The compromise although not ideal, is questions to be put forward to the clerk by the 10th of January so they can be answered at the meeting.

The PC is in a difficult position as it adheres to the rules below is the advice we have been given from the solicitor who specialises in Village Green Law.

In strictness any works carried out on a Village Green registered under the Commons legislation is illegal particularly if it interferes with the use of the Green for recreation purposes.

There is some authority for saying that if the works do not interfere with the use of the Green and does not adversely affect a major part of the Green the works could be permitted.

If the works are essential for future communications in the community and there is nowhere else which is suitable and the mast does not interfere with the use of the Village Green the Council as landowner could consider permitting it. If however there is local opposition they can rely on the strict interpretation of the law to refuse consent.

GREAT NORTH AIR AMBULANCE BUS SHELTER COLLECTIONS HAVE STOPPED.....BUT.....

We are no longer running the 'Bus stop' collections from your village on the 2nd Wednesday of each month, so please don't leave any donations there.

The GREAT news is we have now employed a driver that lives very close to you. This means we can collect your donations for us ANYTIME you wish. You no longer have to wait until the Bus Stop run!

Just contact us to make your collection appointment.

Complete an online form -

[https://www.greatnorthairambulance.co.uk/support-us/fundraising/
recycle/clothing-collections/](https://www.greatnorthairambulance.co.uk/support-us/fundraising/recycle/clothing-collections/)

Or call us on 01325 308139 to arrange a collection. We love to accept any clean clothing, coats, belts, shoes (in pairs) and handbags.

Unfortunately we're UNABLE to collect any household textiles such as towels, bedding, curtains and table cloths and books/bric a brac as these cost the charity to be taken away which isn't great for our funds.

We employ all of our drivers and own all of our vans so you know that ALL of your donation come to us direct. We receive no Government grants, we totally depend on your donations to keep saving lives in your area.

We haven't put bags out door to door for a year now in order to save plastic waste.

All of our donations are by pre-arranged collection only.

Thank you for your donations in advance!
